### **BRIDGE CAUTION - ONE LANE TRAFFIC**

The recent afternoon rains had a direct impact on the finish coatings of the inbound side of the bridge. The contractor agrees that we need to spend some more time on the sealing process.

We will start that work tomorrow morning , Tuesday, July 9th. The inbound side will remain OPEN during this activity, but we will reduce traffic to ONE LANE. We will install signage but PLEASE BE CAREFULL when leaving the gate and crossing the bridge while this work is in process. We expect this to take a few days.
