

SECURITY COMMITTEE ALERT

Just a friendly reminder from the HDOA Security Committee:

The traffic inside the Hammock Dunes gates has increased with the economy improving and increased construction activity and sales. Please make sure that if you're stepping out for a walk/run, short trip to the grocery store, extended travel, etc. (even if you're home), to secure your residence. There is an old saying, "Better safe than sorry"...check to see if you have locked doors and windows and set your alarm if you have one.

If you notice any suspicious activity, please contact the main gate OR for immediate attention call 911 or the Flagler County non-emergency telephone number, 386-437-4116.

Thank you!

Hammock Dunes Owners' Association
