

## Community Dune Walkover CLOSED STARTING MONDAY

The Hammock Dunes Owners' Association community dune walkover located at the comfort station/Playa del Sur will be closed starting Monday, October 6, 2014. The walkover will be completely replaced with pressure treated marine wood and stainless steel hardware. The estimated completion time is 3 to 4 weeks. We hope to have the walkover back in use by Friday, October 31, 2014 OR ASAP (if the contractor is ahead of schedule).

Since this will be an active construction site with wood, nails, and screws in the surrounding area, please use one of the other community walkovers in Grande Mer or Clicker Beach. The Grande Mer walkovers are located in the north gate off Granada Drive & Riviera Place. Clicker Beach is located on A1A across from the south entrance to Island Estates.

Hammock Dunes Club members can use the Club walkover too.

Thank you for your patience and support!

Hammock Dunes Owners' Association
