

## An Important Reminder...

It has come to our attention that recently there have been several instances of non-golfing adults, children, & pets on the golf course. This can create a serious safety issue.

As a reminder to all Hammock Dunes residents, the Golf Course is expressly limited to Club members who are actively playing golf. The golf course also includes all cart paths, practice facilities and staging areas.

Hammock Dunes residents are, otherwise, not permitted on the Golf Course, regardless of time of day.

We, therefore, remind all residents that all non-golf activities, such as walking, jogging, biking, fishing, rollerblading, or exercise of any kind, including walking your dog are not permitted.

We also ask that members and community residents remind their guests of the above limited Golf Course access policy, and the dangers of trespassing on the golf course.

Thank you in advance for your help!
