

BRIDGE PAINTING

The Hammock Dunes Owners' Association contracted with Lamphier & Company to recondition and paint the Grande Mer Bridge on Granada Drive (Hammock Dunes North Gate) and the Mariners Drive Bridge in Island Estates. This maintenance program is part of the 3-year plan to address all the bridges in Hammock Dunes.

The Lamphier crew will start on the Grande Mer Bridge on Monday, February 9, 2015. They will move to the Mariners Drive Bridge after they have finished.

There will be one-lane traffic on each bridge during the project. Please be mindful of the painting crew.

Thank you!

Hammock Dunes Owners' Association
