Officers & detectives with the Flagler County Sheriff's Office will be available to update Hammock Dunes residents about the recent burglaries in Palm Coast and Hammock Dunes. Crime Prevention will also be a topic of discussion and the Sheriff's Office asked for the following to be communicated:

*Due to a recent increase in burglaries reported in gated communities in Flagler County, the Flagler County Sheriff's Office is asking for your help in our efforts to apprehend the individuals committing these crimes. Here are some tips on how you can help us and protect your home against the threat of burglary:*

1. *Always stay alert to strangers in the area.*
2. *Keep your garage doors closed and locked.*
3. *Lock your front and rear doors.*
4. *Install motion detectors lights.*
5. *Keep trees and bushes trimmed and away from doors and windows.*
6. *If your vehicles are unattended and not garaged, lock their doors.*

*Contact the COP's at 386-586-2621 to arrange for a free home security inspection. Report suspicious activity to the FCSO at 386-313-4911 OR CRIMESTOPPERS at 888-277-8477.*

Securitas Regional Manager, Carlos Valentin, will provide a short presentation and will be available to answer questions after the Sheriff's Office presentation.

We look forward to seeing you there!
