

## THE HDOA UPDATE!

Continuing with monthly communication from the Hammock Dunes Owners' Association Board of Administrators; action items that were addressed at the August 17, 2015, HDOA Board Meeting are the following:

- As part of the gatehouse renovation project, the Board approved the sitework contractor, Cline Construction, to begin the road/curb demolition and new stamped concrete installation on approximately October 1, 2015.
- A new transponder reader was approved for Mariners Drive since the old unit failed.
- Phase 2 of the brick paver landscape wall was approved for Camino del Sol between Playa del Sur and San Gabriel Lane.
- The Hammock Dunes Design Review Committee will require lattice fencing on portable toilets for construction sites.

Thank you!
