

## **WILDLIFE ALERT!**

**Please be advised, a coyote was seen in the daylight at the east dead end of Wildwood Ln. behind Publix and SunTrust Bank (off A1A) and vocalizations heard when a fire engine siren went by on A1A indicating more than one. Coyotes are not new to the "Hammock" but please be aware when walking in the Community and walking pets. Further, stay with your pets if you let them out at night; coyotes do work together. Trappers have been contacted.**

**Thank you!**

**Hammock Dunes Owners' Association**
