

**IMPORTANT NOTICE
BRIDGE CONSTRUCTION UPDATE**

The start of the bridge resurfacing project has been rescheduled to tomorrow, Wednesday, April 24th. This change was mandated to avoid a conflict with the A1A resurfacing project currently underway at our South gate. We have been advised that the construction between the Island Estates gate, and our South gate, which includes the immediate road area around the two islands at that location, will be concluded at the end of the day, Tuesday, April 23rd.

Traffic barriers and signage will be implemented at some point during the day on Wednesday, April 24th. The contractor will also bring in equipment to stage the project on Wednesday. Actual construction is now scheduled to commence on Thursday, April 25th.

As mentioned in our earlier notice, the traffic diagrams demonstrating the patterns established for the construction period are available on the HDOA website at www.hammockdunesoa.com.

We appreciate your cooperation in maintaining the safety of our residents, visitors, and vendors by ensuring that we keep everyone apprised of the traffic flow.

Thank you.
