Dear Hammock Dunes Residents and Visitors,

Reminder: Leash Law Applies to all Pets

Neighbors have reported seeing a small gray cat wandering in the vicinity of the San Gabriel Neighborhood.

Hammock Dunes requires that all pet owners comply with the Flagler County Leash Law, regardless of the type of pet. This includes cats, which are not allowed to wander within our Hammock Dunes Community.

For the general safety of all Hammock Dunes residents, if you see a domesticated or wild animal wandering around our community, please notify Flagler County Animal Control at [\(386\) 445-1188](tel:3864451188).
