

Hammock Dunes Interesting Facts Bulletin 004

DID YOU KNOW...

In developing these informational emails for the realtor community we determined to focus on info of which you might not be aware and 'to keep it short and sweet'. We also committed in the previous bulletin to enumerate the activities in which our residents participate. This list violates our 'keep it short and sweet' rule. We suggest rather than attempting to absorb the entire list that you simply print off this email as a reference for those prospective customers, whom you think may be interested in the Hammock Dunes Community. Thanks for your patience!

Each of you know that Hammock Dunes has two great golf courses, five Har-Tru tennis courts, two world class ocean front croquet lawns, two bocce courts and fine dining at the Hammock Dunes Club. The Hammock Dunes residents are diverse and as a result participate in many diverse activities. Many of these activities are organized by the Hammock Dunes Club, some by the Home Owners Association but many were also initiated by various members of the community. The following is a list of the many varied activities participated in by the communities' residents.
